
Town of Ahoskie

April 19, 2024

PO Box 767
Ahoskie, NC 27910
sslassiter@ahoskienc.gov

All Town of Ahoskie Water Users:

The Federal Government (EPA -Environmental Protection Agency) has determined the hazards of lead pipe supplying water to residents of the USA. They are asking for local government water providers to help in their quest. They want to determine if there are possibly private lead service lines feeding any of the home and businesses on their water system. Please choose below the type of pipe you have coming into your home. **This can be determined by looking under your sinks, behind your toilets and/or looking at your outside faucets.**

Please select by putting a mark next to your choice and providing your address below. Note the three (3) options listed below:

<input type="checkbox"/> Silver Metal	<input type="checkbox"/> Physical Address
<input type="checkbox"/> Cooper Metal	_____
<input type="checkbox"/> Plastic/PVC	_____

Thank You for Helping Us with This Request

Please Return by mail, email, or drop off at the Town Hall.

Stephen S. Lassiter, Public Works Director
